## Retail Rates

Calculate ad size by multiplying number of columns wide by number of inches deep.  
 The Catholic Herald has five columns to a page.

## Annual Contract Rates

| Column Inches              | Rate            |
|----------------------------|-----------------|
| Standard (open)            | \$11.28         |
| 10                         | 9.54            |
| 50                         | 7.50            |
| 100                        | 7.19            |
| 200                        | 6.83            |
| 300                        | 6.68            |
| 400                        | 6.48            |
| 750                        | 6.32            |
| 1000                       | 6.12            |
